Caught at Last.
News has just leaked out that "Old Scout" George Howe, member of the local police force, who had been successfully dodging the arrows from Cupid's bow for several years, was struck squarely in the heart by one of the little fellow's darts sometime ago. The final chapter in the romance was written Monday evening when Mr. Howe was married to Miss Clara E. Winans, daughter of Mr. and Mrs. J. D. Winans, of Wood county. The marriage took place a few miles from Romney, Hampshire county, where Miss Winans had been teaching school for sometime. The ceremony was performed by the Rev.

Mr. Leatherman. The couple arrived in this city Tuesday evening and will make their home here.

The news came as a surprise to Mr. Howe's associates on the police force, as well as his many other friends, the engagement having been kept a secret. Chief Brooks is planning an automobile party to be given Mr. and Mrs. Howe by the police department in the next day or two.

OF INTEREST TO WOMEN

Household Hints.
To clean bronze—dip the bronze into boiling water and rub with a flannel cloth dipped in a soapsuds made from yellow soap. Dry with a soft cloth and then polish off with a chamomile.
Polish for steel—Sweet oil, one tablespoonful; turpentine, two table-spoonful; emery powder, one table-spoonful.
Bran for white paint—A plain cloth dipped in hot water and then in

a saucer of bran will clean white paint and not injure it. The bran acts like a soap on the paint.
Brightening rugs—Throw coarse salt over the rugs and carpets before sweeping them to prevent the dust from rising. This will brighten the color also.

When ice cream sticks—Ice cream is sometimes frozen so hard that it does not come out of the mold easily. When this happens let the cold water run over the outside of the can. The water is so much warmer than the ice cream that it melts it sufficiently to start it out and does not melt it enough to spoil the shape of the mold.

To Give Lava Social.
The Ladies' Aid Society of the First Presbyterian church will give a lava social next Thursday afternoon and evening on the lawn at the old Despard property on East Main street. All are cordially invited to attend.—Advertisement.

BEGINS JULY 1ST AND CONTINUES THROUGHOUT THE MONTH. BIG BARGAINS FOR CASH

The entire main floor of our building has been filled with bargains for this July sale. Furniture for every room of the house will be found on sale at big reductions. Some of this furniture is too expensive to sell readily at the regular price; a few pieces are slightly damaged; some lines will be discontinued; many odd pieces remain on our floors; we are overstocked on some lines; and we want to clear our entire store for new fall goods. These and various other reasons prompt us to hold our biggest July sale. We lose on every article sold at the prices named on the sale tag. You will gain if you need the furniture. Don't wait till the best bargains are gone.
You will be surprised to see the big reductions in Fumed Oak Porch Furniture, Kaltex Porch Furniture, Porcelain and White Enameled Refrigerators, Circassian Walnut and Birds Eye Maple Bedroom Furniture, and hundreds of other articles too numerous to mention. We will list some of these bargains tomorrow.
